DCH SPORTSMEDICINE

The expertise of our sports medicine specialists is widely respected; in fact, our staff is often invited to lecture other professionals in countries as far away as Spain, Japan and China.

This nation-wide organization, founded by DCH SportsMedicine, trains athletic trainers and emergency personnel to give athletes emergency treatment in trauma situations.

DCH SportsMedicine cares about athletes in West Alabama. That's why we provide certified athletic trainers to cover sporting events at more than 30 area high schools.

Prevention is the best medicine. We provide free safety equipment like helmets and breakaway bases, through the DCH SportsMedicine Fund in the DCH Foundation, to local little league teams and high schools.

THERE'S ANOTHER HOME TEAM WITH AN IMPRESSIVE RECORD.

Sports-related and orthopedic injuries on the home front deserve the same kind of professional, knowledgeable care that athletes receive on the playing field. So whether you've been moving pianos, or if daily encounters have unfortunate results, come and see us at DCH SportsMedicine. We'll get you fixed up in record time. If you would like more information, or to schedule an appointment, please call 333-4778.

DCH.
SPORTS MEDICINE

1325 MCFARLAND BOULEVARD NORTH • NORTHPORT, ALABAMA 35476

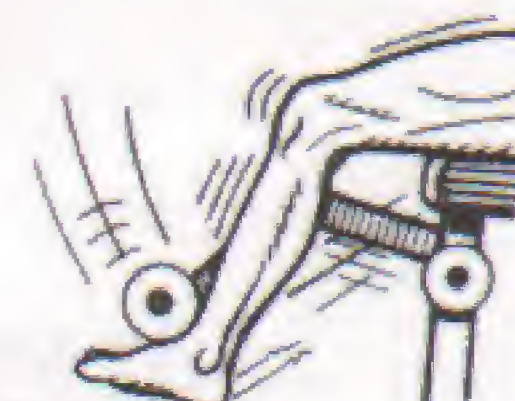

Our experienced trainer and physicians are on the sidelines for every University of Alabama football game.

Injuries can be avoided when players start off in top shape. DCH SportsMedicine gives free physicals to local high school athletes.

DCH is a major medical center, offering the most advanced orthopedic surgery techniques available from board-certified physicians.

Rehab services at the Phelps Outpatient Center and Northport Hospital-DCH are specially designed with the recovering athlete in mind.
